Both the aforementioned writ petitions are interconnected and therefore, they are being disposed of together.

Heard Mr. S. Dhulia, learned counsel for the petitioners and Mr.Rakesh Thapaliyal, learned counsel for the respondent.

The petitioners are claiming implementation of Fifth Pay Commission. According to Mr. Rakesh Thapaliyal, learned counsel for the respondent, those recommendations are not ipso facto applicable and binding on the institution unless adopted by the Executive Council. The matter is pending before the Executive Council since long.

After hearing Mr. Rakesh Thapaliyal, learned counsel for the respondent, we direct the Executive Council to decide the matter within a period of two months.

The petitions are disposed of accordingly..
